WIRED LAMP HOLDERS

Lamp holders & Flex Comply With Safety Regulations and have B.S. Approval

Fastener Threads Must Not Intrude More Than 5mm Into Lampholder To Avoid Damage To the Flex! We strongly recommend testing lampbases after assembly.

'CE' Labelling is compulsory. If you are selling a finished lampbase a 'CE' label must be affixed to confirm compliance with the current safety regulations.

'CE' Labels (strip of five) **Order ref. CEW - 13p**

- (1) **SWITCHED BRASS LAMPFITTING KIT**, featuring our best brass pushbar lampholder threaded 1/2" or 10mm, ready-wired with 1.8 metres of white 3 core flex. A flex restrainer (required by law) completes this popular kit.

1/2" **Order Ref. 56 - £3.70p**

10mm **Order Ref. 56/10 - £3.70p**

Also Available in Gunmetal / Old Copper / Chrome / Nichol

For Gold or Extra Flex See 'Miscellaneous'

- (2) **UNSWITCHED BRASS LAMPFITTING KIT**, offers a top class brass lampholder threaded 1/2" or 10mm and ready-wired with 1.8 metres of white 3 core flex. This lampfitting kit is ideal for use with our Flex Switch item [27]. A flex restrainer (legally required) completes this quality kit.

1/2" **Order Ref. 58 - £3.32p**

10mm **Order Ref. 58/10 - £3.32p**

For Gold or Extra Flex See 'Miscellaneous'

- (3) **BRASS SBC LAMPFITTING KIT** incorporating the ideal lampholder for internal use. Threaded 10mm and supplied ready-wired with 1.8 metres of white 3 core flex. Our On/Off Switch item [27] is highly recommended!

Available with shade ring if required (the shade ring can often be used to fasten the lampholder in position – if being fixed this way it must be used with our item [37] for safety!).

This kit should be used with item numbers [21], [22] Or [23] since they include a cordgrip. If you choose a different fastener please ensure that a suitable cordgrip is also used.

Order Ref. 58SBC - £3.29p

With Shade Ring **Ref. 58SBC/SR - £3.29p**

For Gold or Extra Flex See 'Miscellaneous'

- (4) **SBC PLASTIC LAMPFITTING KIT**, this small black plastic lampholder is threaded 10mm and supplied ready – wired with 1.8 metres of white 2 core flex. Try our On/Off Flex Switch item [27] with this kit.

This kit should be used with item numbers [21], [22] or [23] since they include a cordgrip. If you choose a different fastener please ensure that a suitable cordgrip is also used.

Order Ref. 38SBC - £3.14p

For Extra Flex See 'Miscellaneous/s'

- (5) **SWITCHED PLASTIC LAMPFITTING KIT**, comprising a white 1/2" threaded pushbar lampholder ready wired with 1.8 metres of white 2 core flex restrained internally.
